Hank Papercraft

Sponsored by: **EPSON**

This Hank papercraft is easy to put together – even if you only have seven tentacles!

Create new Finding Dory friends with just a sheet of paper, a printer, and some clever creasing and folding!

Once you've created your Hank masterpiece, why not try your hand at making Dory, Bailey and Squirt?

Finding Dory is swimming into cinemas from 29 July.

Say goodbye to cartridges. With no hidden costs, EcoTank printers are easy to use and offer an ultra-low-cost per page, giving you the freedom to print whenever and wherever you like

What You'll Need

- A printer
- White paper
- Scissors

[Download Resources](#)

How To Make It

- 1 Print the Finding Dory character templates and their instruction pages
- 2 Cut along the dotted lines of the templates
- 3 Follow the folding instructions for your character

4

Proudly display your origami sea creatures on a shelf, or even hang them from your own Finding Dory mobile!
